COMMUNICATION AND INTERPERSONAL SKILLS

Student Government

At university I am a part of the student government, called "Csíkszeredai Hallgatói Önkormányzat", I am responsible for event management. We had a lot of projects, like stork ball, ski camp, movie nights, game nights, quiz nights and debate nights.

We are looking forward to do some really big projects in the near future, for example the annual students' days and escape rooms.

Presbytery

In high school I was the vice president of our presbytery, we organised a lot of programs, for example students' days, Christmas markets and sport days. We also made donation campaigns for people with cancer and other illnesses to help them fund the bills of their surgeries.

I was also the editor-in-chief of our school newspaper, "Refollum", I did interviews, headings and designs for it.
